Sir,

Re: Arrears of contribution due towards the cost of work done to Mydala tank since 1928

In forwarding, herewith, in original the letter together with the resolution received from the President, Town Municipal Council, Tumkur on the above subject, I have the honor to state as follows -

On receipt of a reference from the Superintending Engineer, Mysore Circle, stating that a sum of Rs.1233-0-8 is due from the Tumkur Town Municipality for the works done to Mydala tank and that this outstanding amount has been objected to by the Comptroller (copy enclosed) the President Town Municipal Council,Tumkur was requested to adjust the same

He has stated in reply that the Council have at their meeting held on 31-5-45 resolved that the arrears of Rs 1233-0-8 due by the Municipality towards the cost of works to the said tank be paid out of the closing balance during the current year.

I request that sanction of Government may be

Letter No.10603 dated 11-2-45 from the Superintending Engineer, Mysore Circle

---

Re: amount of contribution due by the Tumkur Municipality on account of works done to Mydala tank, Tumkur Taluk since Jan: 1928.

I have the honor to inform you that a sum of Rs. 1233-0-8 is due from the Tumkur Municipality being the pro rata charges for works done to Mydala tank. The amount went on accumulating year by year from the year 1928 as the Municipality did not settle up the claims in full at any time

The Comptroller has objected to this ~~outst~~anding in his inspection report of 1934 The Government Order No.P W 1738-43/ S dated 10-1-28 clearly states that the Municipality should bear 1/3 cost of outlay incurred for maintenance of feeders and that of establishment charges of Mydala tank, Tumkur Taluk.

The Executive Engineer, Tumkur Dn with his No 766 dated 3-11-44 addressed the President, Town Municipal Council, Tumkur, to pay the balance of contribution as it is outstanding from a long time But the President with his letter No M C 266/44-45 dated 5-12-1944 has replied the Executive Engineer that the Municipal Council have resolved that the amount cannot be paid as it is not a legitimate charge on the Municipal funds etc.

The refusal to pay the contribution does not seem to be in order in the face of the G.O referred to above.

I request you to kindly arrange for payment of the amount due by the Municipality as the objection in the Comptroller's Inspection report has to be regularised.

PTO

The Irrigation Chief Engineer also with his No.2074 dated 26-1-1945 has requested to see to the recovery of the amount very early.
